About the Toolkit

The Treatment Center Communications Toolkit helps to educate the referral community and patients about the availability of SPRAVATO[®] at your treatment center and what to expect from SPRAVATO[®] treatment.

What is in the toolkit

Communicating About Your REMS-Certified SPRAVATO[®] Treatment Center

The resources in this section are intended to help you introduce the availability of SPRAVATO[®] through your treatment center to referring HCPs and patients.

You may use these resources to communicate only about your treatment center's SPRAVATO[®]-related services.

Communicating About SPRAVATO[®] and the Patient Experience

The resources in this section are intended to help you stay connected with your referral network and educate patients and HCPs.

Additional Resources

The resources in this section may be useful to have on hand when communicating about SPRAVATO[®]. Resources include the product logo, Prescribing Information, and Important Safety Information. Please follow all compliance reminders when using these resources.

Please note: This toolkit and its materials are being provided for your conditional use, subject to agreement with these terms. The information in this toolkit is meant to be educational to help inform your communications. Your use of these materials is not an endorsement by Janssen of your treatment center. In no event is Janssen responsible for your use of this material. Modifications are prohibited and Janssen has no liability for any modifications made. Your use of this material does not provide you with any right or license to any of Janssen's intellectual property, including, without limitation, any Janssen logos, trademarks or images. Janssen reserves all rights under law with respect to its intellectual property. SPRAVATO[®] is a registered trademark of Johnson & Johnson and its affiliated companies. HCP=healthcare provider; REMS=Risk Evaluation and Mitigation Strategy.
